FORMAT side table is a very elegant and timeless family of tables with two levels in very formats of the table tops, that gives the table three complete different designs. The connecting element is the frame in three sizes. The upper and lower table tops lie in it, with three different, geometric table top formats to choose from. Available are the circular table top, the oblong table top and the square table top. These give the table its three different shapes and characters. The tables are available in black frame with matching table tops: Black oak, White marble and black glass.
